September 2012

Dear Travel Friend,
Being a family owned and operated travel agency for over 55 years, the significance of family and time well spent holds special meaning for those of us here at Ambassador Tours. We feel incredibly lucky for our good fortune and grateful to our beloved clientele who have been with us for so long. Many of you have been a part of our travel family for an entire generation or more, and we appreciate your continued loyalty, as well as your trust and confidence in us when you refer your friends and family to our agency.

I find myself reflecting back frequently on the history of Ambassador Tours and what it is that has made us a successful company for all these years. The answer, is YOU. We have never forgotten the essential truth that, without our customers, we would be out of business. And it is because of you that we continue to provide the best prices and the best service - every time - so that you can continue to travel better for less. By creating this unique and exceptional value together, we have developed a true partnership - and that is absolutely priceless.

Now, more than ever, families are looking for ways to make the most of the time they get to spend together - doing things together which hold value, without breaking the bank. A family budget spent on a vacation or even a weekend getaway gives a valuable experience to our families and creates lasting memories that shape who we are.

With that in mind, we bring you the latest edition of our very popular Vacation Discounter. Packed with the BEST BARGAINS in travel right now, this publication features just some of the reasons it's time to start planning your next vacation. And we're here to help! When it comes to planning that much-needed vacation, why not take the pressure off yourself and let your knowledgeable travel counselor do the work for you? Instead of playing a guessing game online with putting together the details for a trip you'd like to take, allow us the pleasure of doing it for you. We want your dream vacation to actually be YOUR dream. So let the experts Help you - that's what we're here for! Check out this issue of our fall Vacation Discounter which includes tremendous deals on the most amazing destinations across the globe - and then call your friends at Ambassador Tours!

Sincerely,
